➤ New Business:

- The floor was opened for 2022-23 Officer nominations. No new nominations were made after multiple calls and all current officers were queried and willing to remain in position for the 2022-23 term. A motion was made and seconded to approve by acclamation. All present were in favor.
- Due to current issues with the primary HVAC systems in the Post 12 facility all scheduled events have been postponed or cancelled for the remainder of June. The July 2nd brunch has been moved to July 9th. As more information/changes are made we will advise the membership.
- Tim Rice provided information on the Daily Living Centers (www.dlcok.org). DLC is now partnered with Post 12 and can provide transportation to and from hospital or doctor's office visits at NO cost for veterans 60 or older if they live in Canadian or Oklahoma counties and do not attend Adult Day Services. For this service they need to call 405-792-2401 at least 24 hours prior to the time of needed transportation.
- Robbie Wicker's previous shoulder surgery has not provided the results they hoped for and he will be undergoing shoulder replacement surgery in the near future. Please keep Robbie and Teresa in your prayers.
- Andrew Berrigan's family experienced some excitement with exploding phone chargers. Thankfully none of his family (and there is a significant number of them) were injured, however, they have been temporarily displaced while repairs are made due to fire and water damage. Keep Andrew and his family in your prayers.
- Hope to see you on a ride or in a meeting soon!
