AL Children's' Home visit

Saturday, December 6th, 2008

Well, it was pretty cold for this ride so we all caged it up to the American Legion Children's Home. Once there, Doug Carter, fresh from Iraq and dressed as Santa Claus, proceeded to visit each of the 4 dormitories. Each child received a Wal-mart gift card valued at \$40, a small duffle bag handmade by the Auxiliary that contained small trinkets and snacks. Santa posed with each child and then again with group photos with each dorm.

After visiting all 4 dorms, Santa and Post Commander Big Jim Craig presented ALR 1340 gifts to our Post sponsored child, Terrence.

For the trip to the ALCH

6 cages were driven that contained 7 ALR, 6 AUX, and 1 SAL.

The value of the gifts donated were approximately \$3,000.
